

PHOTOS & DRONE RESTRICTION POLICY

DRONES AND UNAUTHORIZED TAKING OF PHOTOGRAPHS AT THE COMMUNITY POOL AREA IS STRICTLY PROHIBITED.

No person may operate, cause, allow or authorize the taking of photographs or operation of a drone in any other portion of the Community in such a way as to invade the privacy of members, guests, residents or vendors.

Prior written approval of the Board of Directors must be given for photographs at the common areas and drone operations throughout the Community and such activity must comply with such terms and conditions as the Board may deem appropriate under the circumstances.

A "drone" is defined as a powered aerial vehicle that flies autonomously or is remotely piloted.
