

Dear Wolf Creek Homeowners,

The pool opening date is scheduled for Tuesday, April 13, 2021. Any change in state or county guidelines can alter the opening date and the Association will comply with all state and county guidelines and may close the pool if so ordered. Please see the attached emergency pool rules and pool waiver approved on Monday April 12, 2021. We realize these might seem too strict for some and too relaxed for others. This HOA cares for this community and have volunteered a tremendous amount of our time to help find the right balance.

We strongly encourage you to please email us at [wolfcreek@avalonweb.com](mailto:wolfcreek@avalonweb.com) with any opinions or recommendations you might want to discuss. Please share observations you have and your personal experiences at this email address. We would really like to hear what is working and what is not. We cannot fix it if we don't know about it. Pool Monitors cannot answer HOA questions.

Any updates will be posted on the Wolf Creek Website. This is also a great time to download the app! We wish everyone a fabulous summer and hope you all can spend time at the pool enjoying it.
