

WOLF CREEK GYM GUIDELINES DURING RED AND OR ORANGE TIERS

Dear Wolf Creek Homeowner,

The gym opening date is tentatively scheduled for Wednesday, April 7th, 2021. Any change in state or county guidelines can alter the opening date and the Association will comply with all state and county guidelines and may close the gym if so ordered.

During the Red Tier the County Health Department limits the use of indoor gyms to 10% of maximum occupancy. Our maximum occupancy is 10. As such, under the Red Tier only 1 person per reservation is permitted. Under the Orange Tier, the limitation is raised to 20% of maximum occupancy. This would permit a maximum of 2 residents from the same household exercising in the gym for each reservation.

Gym reservations will begin at 6:15 AM for 45 minute blocks. Gym disinfection will begin at 7:00 AM and the next reservation block will begin at 7:15 AM to permit the gym to air out. This pattern will repeat up to the 10:15 AM block which will end at 10:55 AM to accommodate staff lunch breaks. The next block will start at 12:15 PM and go to 1:00 PM at which time gym disinfection will begin. Thereafter the times will re-occur at the same timeframes as listed above through the last exercise block at 7:15 PM.

Please be patient as we initiate the gym opening procedures. Based on feedback from residents, we will attempt to make modifications with the goal of permitting the greatest number of residents use of the gym facilities. Toward that goal, we must limit gym use to one block every other day for a maximum of three times per week. Gym reservations may be booked for the first use of the week 48 hours in advance. After first use of the week, you must call the morning of the day you wish to exercise for reservations.
